Herbert A. Robertson, 42, died at his home in this village Wednesday evening of neuritis of the heart. He had been ill since last spring. He was born in Hinsdale, N. H., Nov. 15, 1858, and was a widely known cotton broker. He lived in Brooklyn when a boy and in early life went to Montana, where he conducted a horse ranch. Afterwards he went to New Orleans, where he lived in New Orleans. Since then he has lived in New Orleans and Putney, coming to this town about three years ago. He was married to Mrs. M. A. Parker of East Putney, and one sister, Mrs. A. A. Langley of Westminster. The funeral will be held at his home at 2:30 p. m. tomorrow. Prof. John E. Russell officiating.

When Cassius M. Clay set about establishing an Abolitionist newspaper in Kentucky in 1845 he entered upon the delicate enterprise with these joyful resolutions: "I selected for my office a brick building and lined the outside door with sheet-iron to prevent it being burned. I purchased two brass four-pound cannons and Cincinnati and placed them, loaded with shot and nails on a table, breast high, had folding doors secured with a chain, which could be opened upon the mob and let loose the cannons. I furnished my office with Mexican lances and a limited number of guns. There were six or eight persons who stood ready to defend me. If I detected they were to escape by a trap door in the roof, and I placed a keg of powder with a match, which I could set off and blow up the office and all my invaders, and this I should most certainly have done in case of last extremity."

The Fight Within.

No, when the fight begins within himself. A man's worth something.

Growth of our Railroads.

From a little wooden track over which the first locomotive of the United States ran, the road system of the United States has grown to such an extent that the tracks if placed together would extend eight times around the world. There is also a wonderful growth in the number of passengers. The Boston and Maine Railroad, for example, carried over five million passengers last year, and during those years has made such an unequalled record of safety that there has not been a single fatal accident in its history.

We think we can cure a bad case of Backache quicker with one of Carter's Smartwheels and Belladonna Backache Plasters, than by any other application, and after the backache is cured, you can still wear the plaster without discomfort for two or three weeks or longer. This combination of Smart Wheel and Belladonna is a great hit, and it is hard to buy pain or ache that will not yield to it. Price 25 cents. Sold by druggists everywhere.

Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, dependent upon the cause of the difficulty, it is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers.

Dr. Williams' Pink Pills for Pale People, N. Y., is a great remedy for kidney and bladder trouble, and the address, Birmingham, N. Y., on every bottle.

WEST CHESTERFIELD, N. H.

Mrs. Houghton is seriously ill and confined to the bed much of the time.

Miss Mervette Randall will attend Miss Burke's private school in Brattleboro.

The reports were completed on the church last week and the building is now ready for occupancy.

Mr. C. R. Farr's teams have been hauling coal at the station in Dimmock this week with lumber from the mill here.

Mr. Clapton family have moved this week from the Smith place into Charles Hill's house, formerly the W. W. Farr place.

Frank E. Smith of Jamaica, Vt., spent his birthday anniversary last Friday at the old paternal home here, of which he is present owner.

Miss Jennie E. Pierce will take Miss Kimball's place in the advanced department of school No. 1, and Miss Lucy Whitney will take Miss Pierce's place in the primary department.
